25 Week CSA.....\$400.00

Community supported agriculture (CSA) is a way for you to buy local, seasonal produce from a farmer within the community. In exchange for purchasing a "share" of our CSA, you will receive naturally-grown, fresh produce from our farm. A share is meant to feed 2-4 people and is picked up weekly by the shareholder (or delivered to their home) during the growing season, May-Oct. All shares are created equally & may include the following items: Asparagus, Beets, Broccoli, Cabbage, Cantaloupe, Carrots, Cauliflower, Cucumbers, Green Beans, Kale, Lettuce, Onions, Peppers, Potatoes, Radishes, Spinach, Strawberries, Sugar Snap Peas, Sweet Corn, Sweet Potatoes, Tomatoes, Watermelon, Winter Squash (Acorn, Butternut, Spaghetti, etc.), Yellow Squash, Zucchini.

Farmer-Member Agreement: As a member of Schaefer's CSA, I accept both the risks and rewards of farming. I understand that there are no refunds in case of crop failures or adverse weather, nor is there a guarantee of a particular crop. As a member who picks up at Schaefer's farm, I acknowledge that I am responsible for picking up my produce each week or sending another individual to do so. I understand that my produce will be donated if I fail to contact Schaefer's within 14 hours of a missed pick-up and that there are no "make-up" weeks offered when I am absent. I must stay committed to the pick-up day I selected and agree to be charged a \$30 fee to change days mid-season.
