4-Week Fall CSA, November 2020……..……$95.00

Community supported agriculture (CSA) is a way for you to buy local, seasonal produce from a farmer within the community. In exchange for purchasing a "share" of our CSA, you will receive all-natural, fresh, seasonal produce directly from our farm.

Items the Fall CSA may include: Greens (Lettuce, Spinach, Kale), Winter Squash (Acorn, Butternut, Spaghetti), Root Crops (Onions, Potatoes, Carrots, Green Onions, Sweet Potatoes), Cole Crops (Broccoli, Cauliflower, Cabbage), and Michigan Apples. Other "summer-type" crops may be available, depending on this fall's temperatures.

I understand that my produce will be donated if I fail to contact Schaefer's within 14 hours of a missed pick-up and that there are no "make-up" weeks offered when I am absent.
